

### Triangle Water Supply Partnership Interconnections

-  Municipal Boundaries
-  Raw Water
-  Major Water Bodies
-  Treated Water

This map represents the water sharing agreements amongst the members of the TWSP, which include but are not necessarily limited to the water supply from Jordan Lake, for the purposes of mutual aid and emergency water supply.

Map created by Triangle J Council of Governments for reference only. Only Triangle Water Supply Partners interconnections are depicted here; additional infrastructure may exist beyond this map. Data from a variety of sources. Updated 12/12/19.
